- Pro/Research
- Accessories/Spare Parts

Classroom Bundle	Individual Drones	Pro-Research	Accessories/Spare Parts

Classroom bundles regroups all the bundles we designed for the classroom. They are shipped with drones, spares parts, lots of batteries, and a curriculum of 10 hours of coding provided by our partner Tynker. This is the best choice to start using drones in your classroom!
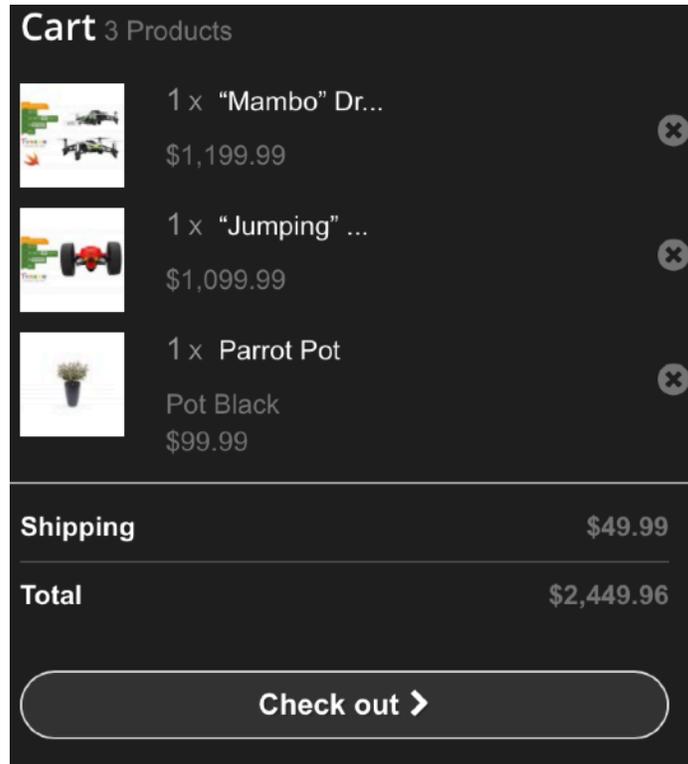

Individual Drones is for people that want to create their bundles based on all the drones we have.

Pro-Research regroups all the sensors technology we have for agriculture and developers

Accessories/Spare parts is where you will find all the spare parts for your hardware! Batteries, propellers, hulls…
